Examinations
Professional-
Procedure and Rules regarding-
of Officers in the Electric
Grid Department.

Government of Bombay.
Public Works Department.
Resolution No. 630/36.
Bombay Castle 2nd February 1949.

Resolution of Government.

The accompanying Instructions and Rules regarding the Professional Examination of Executive Engineers and Assistant Engineers in the Electric Grid Department are communicated to all concerned for information and guidance.

2. All the officers of the status of an Executive Engineer or Assistant Engineer who joining the Electric Grid Department or whose contracts are to be renewed shall have to pass the Professional Examination. In the case of the officers who are already in the Electric Grid, the passing of such examination will, however, be voluntary. The necessary provision should be made in the contracts of the officers to be recruited herewith requiring them to pass the proposed examination subject to the rules framed therefor.

By order of the Governor of Bombay,
Sd/- 10/2/1949.
(K.V. Joglekar),
Deputy Secretary to Government.

To

The Political and Services Department.

The Finance Department.

The Electrical Commissioner with the Government of Bombay,

All Superintending Engineers of Circles.

Accompaniment to Government Resolution, Public Works
Department No. 630/36, dated the 2nd February 1949.

.....

Instructions and Rules regarding the Professional Examination of Executive Engineers and Assistant Engineers in the Electric Grid Department.

.....

(a) Instructions.

1. The examination should be searching. In setting a paper on Accounts, great discrimination must be exercised for it is easy to set one which no candidate would be able to answer unless he had crammed for the purpose of the examination. What is required is that he should have the knowledge necessary to control the expenditure in his Division.
2. The examination should be oral as well as written, comprising two written and two oral papers (i) in Accounts and Rules of the Public Works Department and (ii) and the Indian Electricity Act and Rules and the Electricity (Supply) Act 1948 and Rules thereunder (when framed). It should be so designed as to give the Examination Committee the fullest opportunity of forming a correct opinion of the general intelligence of the candidate and his knowledge of subjects and whether he has made good use of his time in acquiring that practical information which cannot be obtained from books. Questions on theory and "catch" questions shall not be put. As an Assistant Engineer may at any time be in charge of large subdivision of an important work or may have to assume charge of a divisional office, he should be capable of giving to his subordinates, detailed instructions.

(a) Rules.

1. Assistant Engineers and Executive Engineers appointed to Electric Grid should pass the examination prescribed in

the ---

the following rules within three ~~five~~ years from the date from which their service commences.

2. An officer who has failed to pass the examination within the prescribed period shall not be, unless Government by general or special order declares him to be, entitled to any increment in pay after that date unless he passes the examination after which he shall be entitled to pay at the rate corresponding to his position in the time-scale.

3. In cases in which owing to the exigencies of the public service, illness or want of time or lack of opportunity to convene a Committee, an officer is not able to pass the examination within the prescribed period, Government may grant him a reasonable extension of time upto a maximum of one year to enable him to do so, and if he passes within this further period, no penalty will be enforced. Should he, however, fail to pass within the extended period his further increments shall be withheld until such time as he does pass.

4. The Electrical Commissioner with the Government of Bombay is empowered to convene Committees for the examination and to decide on the Committee's report whether an officer has passed or failed.

5. The examination Committee shall consist of the Chief Engineer or a Superintending Engineer of the Electric Grid Department as President, one officer of the Department of the rank not lower than that of an Executive Engineer and the Accounts Officer of the Department or a Deputy Accountant General. Specially invited to participate.

6. The examination will be held once a year on the last Monday in June for the Electric Grid Department as a whole ---,

whole, local centres of Examination will be fixed by the Electrical Commissioner according to the number of examinees in an area.

7. An officer, who is desirous of undergoing the examination shall apply to the Electrical Commissioner through the Superintending Engineer in charge of the Section, who will certify the suitability of the applicant for appearing for the examination.

8. Application for permission to appear for the examination shall reach the Electrical Commissioner not later than 15th April preceding the examination. If no application is received in time to make the necessary arrangements no examination shall be held and the applicants will be required to wait for the next examination.

9. The subjects for the examination shall include:-

(a) Accounts and Rules of the Public Works Department, syllabus therefor being as under:-

(I) Introduction to the Indian Accounts and Audit (second edition of 1940) .

Part I Chapter I.

Part II Chapters 9 (Section A and B.), 11

Part III Chapters 13, 14, 16, 20.

Part IV Chapters 27, 29, 30, 31, 35, 36.

(II) Central Public Works Account Code with Appendices and the Bombay Public Works Department Manual (Parts I and II).

(b) (I) The Indian Electricity Act 1910 and Rules.

(II) The Electricity (Supply) Act 1948 and the Rules thereunder, when framed.

Notes:- The entire written examination shall be held with books.

10. The marks to be assigned to each question shall be determined by the Committee and shall be determined by the Committee and shall be in proportion to the importance of the questions. To qualify, the candidate shall obtain

not less than 60 per cent of the maximum marks in each subject, and not less than 66 per cent of the maximum aggregate marks. For a pass with credit, the candidate must obtain 80 per cent of more marks out of the maximum aggregate number of marks. The average percentage should be the percentage of the total marks gained to the total marks obtainable.

11. A candidate who fails only in one subject but obtains a percentage of not less than 70 in the other subject, may appear again only in the subject in which he had failed. In such a case he must obtain not less 60 per cent marks in that subject in order to pass. A candidate who has obtained the necessary marks to qualify under this rule shall be given a certificate by the President to the effect that he has now qualified and such certificate shall be sufficient authority to permit the candidate to appear at the subsequent examination in the remaining subject only.

12. The list of successful candidates shall be reported to the Government for publication in the Bombay Government Gazette. In submitting such reports the Electrical Commissioner shall invariably furnish the following information:-

(1) Total marks obtainable.	)	For each subject
(2) Marks actually obtained.	)	Separately and also
(3) Percentage actually obtained.	)	for the whole exam.

If the candidate has passed with credit, it should be stated in the report.

13. The President and each member of the examination Committee shall be present during the whole of the oral examination.

14. Copies of written questions should be submitted to Government soon after the 31st December every year in order that they may be printed for circulation.

15. Officers holding the rank of Superintending Engineer or a higher rank, should not be required to appear for the examination. Similarly all Officers of 50 years and above in age should be exempted, And Also the Public Works Department Officers who are on loan to the Electric Grid Department and who have already passed the professional examination prescribed for the Public Works Department Officers, should be exempted from appearing in all subjects except the Indian Electricity Act and Rules and the Electricity (Supply) Act 1948 and the Rules thereunder when framed.

16. Marks for the papers and oral examination should be allotted as shown in the following sample form:-

Professional Examinations:

(a)		(b)		
Accounts & rules of the P.W.D.		The Indian Electricity Act and Rules & the Electricity (Supply) Act 1948 and rules thereunder when framed.	Total marks obtainable.	Minimum marks required for passing.

No.E. 87/11665
Electric Grid Offices,
Foreshore Road,
Bombay. 1 15th July 1949.

To

The Secretary to Government,
Public Works Department,
Bombay.

Subject:- Regional Language and Professional Exam.
Passing of- By P.W.D. Officers.

I have to invite a reference to rule 18 rule of the Procedure and Rules prescribed in Government Resolution P.W.D. No. 630/36 dated 2/2/1949 for the professional examination of officers in the Electric Grid Department under which P.W.D. officers who are on loan to this Department and who have already passed the professional examination prescribed for the P.W.D. Officers are exempted from appearing in all subjects of the Professional Examinations of the Grid Department except the Indian Electricity Act and Rules and the Electricity (Supply) Act, 1948 and the Rules thereunder when framed.

2. Under rule 1 of the Professional examination prescribed for Deputy Engineers, Assistant Engineers etc. in the P.W.D. (vide Government Resolution P.W.D. No. 630/36 dated 9th October, 1942), the Dy. Engineers and the Assistant Engineers who are on loan to this department will have to pass the examination compulsarily within 3 years from the date of commencement of their services as Deputy Engineers or Assistant Engineers, failing which the officers will not be entitled to any increment after that date unless they pass the examination. In this connection, I may state that the subjects for the P.W.D. Examination include technical subjects like Irrigation, Roads, and Buildings,

~~Sanitary Engineering etc. vide rule 2 of the rules of the~~
Sanitary ---

Sanitary Engineering etc. vide rule 9 of the rules. The Work in the Electric Grid Department is different from that in the P.W.D. and the loaned officers would, while serving the Electric Grid Department, never get an opportunity to learn the subjects for which the P.W.D. examination is held. As such, it will be impossible for these officers to, in their jobs, learn the P.W.D. kind of work. If therefore, their passing the P.W.D. examination is insisted upon, they will either have to take special leave or spend their regular working time for preparation which, it appears to me, is not a desirable feature.

3. In view of above, I propose that the P.W.D. Officers who are on loan to this Department should not be required to pass the P.W.D. examination so long as they are in this Department unless they do so within 12 calendar months of joining this department. The latter provision is made to cover the cases of loaned officers who may already have prepared for the P.W.D. examination at the time of their transfer; such officers, if they pass the P.W.D. examination should be governed by rule 15 of the Government Resolution mentioned in para 1 ante. On their reversion to the P.W.D. the officers should be governed by the rules of the Professional Examination prescribed for the P.W.D. Officers, which should be made applicable to them from the date of their reversion to the parent department.

4. The P.W.D. Officers, on loan to this department should, thus, be governed by the rules prescribed for the professional examination of the officers in the Electric Grid Department, so long as they continue in the latter Department except those coming under para 3 above and

those---

governed by rule 15. P.W.D. officers who were loaned to this department prior to the issue of Government Resolution P.W.D.No. 630/36 dated 2/2/1949 and who are already in service in this department should also be governed by the modified proposals now made.

5. Further I propose that a similar decision should also rule ~~governing~~ regarding Regional language examination i.e. rule regarding the passing the Regional language examination prescribed in Section II of the Manual ~~for~~ of department and language examination rules. The rules should not be made applicable to the P.W.D. officers so long as they are on loan to the Electric Grid Department on the analogy of their non-application to directly recruited Grid Officers. These rules should apply to the loaned P.W.D. Officers only from the date of their reversion to the P.W.D. that date being considered for the time limit allowed for such examination.

6. I shall be obliged, if you will be so good as to move Government to kindly approve these proposals at an early date, after receipt of which, I shall submit draft amendments to the existing rules for Government approval.

Sd/-
Electrical Commissioner
with the Government of Bombay.

E.B. (III).

630/48/47103.
P.W.D.

The Elec. Commissioner with the Government of Bombay has made the following two proposals:-

- (i) that P.W.D. officers whose services are loaned to the Elec. Grid should be exempted from passing the Professional Examination ~~in~~ for normal P.W.D.
- (ii) that they should also be exempted from passing the Regional ---

Regional Language Examination prescribed in Section II of Manual of Departmental and Language Examination Rules .

2. Regarding proposal (i) above, the ^Elecl. Commissioner states that the work in Electric Grid Department is different from that in P.W. Department and, therefore, the loaned officers find it difficult to pass the examination in subjects like Irrigation, Roads, Buildings, Sanitary Engineering etc., with which they do not come in touch within the Electric Grid. This he says, will compel those officers to take special leave, to study or to spend their regular working hours in preparation for the examination. He, therefore, suggests that these officers should be exempted from appearing for that examination as long as they remain in the Grid. He, however, suggests that those of them who have already prepared for the examination at the time of their joining the ^Elecl. Grid, should be allowed to appear for the examination within 12 months of their joining that Department. It is for consideration whether the proposal may be approved in U.O. consultation with the P.D. and the P. and S.D. or whether it may be negatived.

3. As regards proposal (ii) of the ^Electrical Commissioner, he has not given any detailed justification but has merely stated that the loaned P.W.D. officers should be exempted from passing the Regional Language Examination on the analogy of directly recruited Grid officers.

The directly recruited officers of the Elec. Grid have not been exempted by any specific orders from appearing for the examination but being mostly stationed in Bombay, they are not required to appear for the Regional Language Examination. The

The Elec. Commissioner's proposal, therefore, does not seem to be necessary and may, if approved, be negatived.

Through Dy. Engr. (Irrgn.)

Subject:- Passing of Regional Language and Professional Examination by P.W.D. Officers.

With ---

With reference to Government P.W.D. letter No. 630/48/E(DII) dated the 26th September 1949 on the subjects noted above, I have to state that the decision of Government places P.W.D. Officers who are on loan to this Department in a difficult position in regard to their passing the P.W.D. Examination. They will have no opportunity to gain the knowledge needful for the examination and will have to ask for leave for preparation which even may not prove satisfactory as for the professional examination goes.

2. I, therefore, request that you will be so good as to move Government to kindly reconsider their decision and accord their approval to the proposals made in this office letter No. E. 87/11665 dated 15th July 1949.

~~Electrical~~ Ed/-
"Electrical Commissioner
With the Government of Bombay,

630/36/77120
P.W.D.

E.B. (III).

Referring to G.E. No. 630/36, dated the 26th September 1949, the "Electrical Commissioner with the Government of Bombay states that the decision of Government places P.W.D. Officers who are on a loan to the "Electric Grid in a difficult position in regard to their passing the P.W.D. Exam. He further states that they will have no opportunity to gain the knowledge needful for the Examination and will have to ask for leave for preparation which even may not prove satisfactory so far as the professional Exam. goes. He therefore requests the Government to reconsider their decisions and accord approval to the original proposal made in his letter No. E-87/11665, dated the 15th July 1949.

2. It is for consideration whether the question of exempting, the P.W.D. Officers who are on loaned service is to be reopened.

B.V.B./- 7/12/49.

I do not ---

I do not think that an exception should be made in respect of the officers referred to by the Elec. Commr.

Id/-
7/12-

The remedy is to depute to Grid Department officers who have passed the Proff. Exam. or in case of officers, on deputation already, to extend their term for ^{passing} necessary the exam. The suggestion that such officers should be exempted has been rejected and rightly.

Id/-
8/12

L.B.III).

Resubmitted with a draft for approval.

Id/- 30/12/49.

"A" in Secy's note on the prepage will be complied with in future, whenever it is possible to do so.

Id/-
30/12/49.

A better suggestion would be to examine them in bas Engineering and P.W.D. subjects.

Id/-
4/1/50.

Grid Department is a temporary Secy. Department and we need not devise a special ^{syllabus} system for grid employees.

No. G.R.32

Office of the Superintending
Engineer,
Karnatak Irrigation Circle,
Via Dharwar, 14th May 1950

To

The Secretary to Government,
Public Works Department,
Bombay-1.

Subject:- Professional examination: Procedure and rules regarding of Provincial Service Officers in the P.W.D.

Reference:- Government Resolution (P.W.D.) No. 630/36

dated the 9th October 1949, as amended from time to time.

2. In this Circle, there are some Deputy Engineers holding charge of Sub-Divisions (in the Irrigation Projects Division (South) practically from the beginning of their service. They will have to be continued to be in charge of these Sub-Divisions and cannot be transferred to regular Sub-Divisions for some time more for administrative convenience. These Deputy Engineers have had therefore no opportunity to gain practical experience in the usual Engineering subjects prescribed for the Professional Examination of Deputy Engineers.

3. It is therefore requested that Government may kindly be moved to include one more subject viz. 'Investigation of Major Canal and Storage Schemes' in the syllabus for Professional Examination under paragraph 9(b) of the above mentioned Government Resolution, prescribing the rules of the ---

the said examination for Assistant Engineers (Class I)
and Deputy Engineers (B.S.E. Class II).

Sd/-

14/1

Superintending Engineer, K.I.C.

630/36

E.B. (III).

P.W.D.

The S.E., Karanatak Irrigation Circle, requests for the reasons stated by him in his letter No. G.R.32, dt. the 14/5/50, that one more subject viz. 'Investigation of Major Canal and Storage Scheme' may be included in the syllabus for Professional Examination under paragraph 9(b) of G.R., P.W.D.No. ~~332~~ 630/36, dt. the 9/10/42. In this connection attention is invited to G.R., P.W.D. No. 630/36, dt the 16/3/50. Vide ~~this~~ ^{earlier} this G.R. the subject 'Design and construction of ~~xx~~ ^{earlier} dams' has been included in the syllabus for the Professional Examination as requested by the S.E., D.I.C. It is, therefore, for consideration whether the S.E.'s ~~xxx~~ proposal may be accepted.

Id/-

20/5/50.

Our policy is not to add to the number of subjects for the Prof. examination. But the President of the Examination Committee may be requested to bear in mind. The subject, which the particular candidate might have handed in detail, while drawing the question paper. In this connection vide please notes recorded on pp. 5/6 of the case No. S/55/2/30031 put up ~~with~~ with flag A. The S.E. may be informed accordingly.

Id/-

23/5

I agree. However the subject at A overload appears to be unduly restricted in scope. It may as well be ~~an~~

~~xxx~~ investi----

investigation Design ~~xx~~ and construction of Irrigation
works including earthen dams, ' Perhaps the general
head 'irrigation' covers all that has anything to do
~~irrigation~~ with irrigation and in that case past instruc-
tions would be sufficient .

~~BOMBAY~~

No. 124B/ 2749 of 1950.

Office of the Housing Commissioner,
Esplanade Maidan, Cruickshank Rd.,
Bombay, 23rd March 1950.

URGENT.

To

The Secretary to the Government of Bombay,
Public Works Department,
BOMBAY.

Subject:- Professional Examination.

Reference:- G.R. P.W.D. No. 630/36 dt. 9th Oct. 1942.

Sir,

The posts of temporary Executive Engineers and Deputy Engineers employed under the Bombay Housing Board have not been declared as temporary additions to B.S.E. Class I and Class II Cadre in the normal Public Works Department.

It is presumed that such temporary Executive Engineers and Deputy Engineers who are recruited directly to the General Provincial Service as B.S.E. Class I and B.S. Class II officers have to appear for the Professional

Examination in the subjects noted in para 8(a) only of the
G.R. ---

R. quoted above:

This may please be confirmed.

Yours faithfully,

Sd/-
For Housing Commissioner, Bombay.

B. (III).

630/36/23969
P.W.D.

The Housing Commissioner states that the posts of x.Engrs. and Dy.Engrs. under the Bombay Housing Board are not been declared as temporary additions to the B. .E., Class I, and B.S.E., Class II, Cadres. He, therefore presumes that the Ex.Engrs. and Dy.Engrs. whomx are recruited directly ~~xx~~ under the Housing Board have to appear for the professional examination only in the general Engineering subjects mentioned in Rule 9(a) of the rules reg. the professional examination of Asstt. Engrs. and Dy.Engrs. of the B.S.E., Class (I) and (II) respectively.

2. Apparently the Housing Commissioner refers to the temporary Ex.Engrs. and Dy.Engrs. recruited by this Department and allotted to the Housing Organisation (now Housing Board). It may be stated that the tempy. Ex.Engrs. and the Dy.Engrs. recruited by this Department and allotted to the various Departments and organisations including the Housing Organisation (now Housing Board) are ~~xx~~ treated as recruited to the B.S.E., Class~~x~~ I, and B.S.E., Class II, tempy. Cadres. and their pay is regulated accordingly. It has been proposed separately that all these officers should be maintained on the common lists (One for Ex.Engrs. and one for Dy.Engrs.) until they are confirmed, according to their seniority, in the Department~~x~~ and organisations concerned. It, therefore, appears that all

these---

these officers are required to pass in all subjects prescribed for the professional examinations of the Ex.Engrs., Asstt.Engrs. and Dy.Engrs. according to the orders issued in G.R., No. 630/36, dated the 9/10/42 and No. 9436/36, dated the 25/10/49, as amended from time to time. The Housing Commr. may accordingly be informed that his presumption is not correct and that all the Ex.Engrs. and Dy. Engrs. recruited by the P.W.D. and allotted to the Housing Organisation (now Housing Board) have to pass in all subjects prescribed for the professional examinations of the Ex.Engrs. and Dy. Engrs. respectively according to the orders issued in the G.Rs. retd. to above. Before, however, the neey. draft is put up the L and H.D. and the P. and S.D. may see the papers U.O. for their remarks if any.

Id/- 21/4/50.

Id/-21/4/50.

U.O.R. to the L and H.D., dated the 22nd April 1950
(with files 650/36 I and 9437/36)

1/-
2/4/50.

L and H.D.

E. Br.

Seen and passed on U.O. to the P. and S.D., with the remarks that after orders reg. "A" on the ~~reverse~~ reverse are issued, the P.W.D. may issue separate orders reg. the time-limit within which the tem. Ex.Engrs. and Dy. Engineers under the B.H. Board, etc. should pass the various professional examinations, as many of them have already finished 2 or 3 years service and cannot comply with the present orders reg. time limit.

U.O.R. to P. and S.D. with P.W.D. files 630/36-I 9498/36 dated the 29/4/50.

P.K.M.

630/36/36805

**"POLITICAL AND SERVICES DEPARTMENT
'D' BRANCH"**

The Housing Organization is no longer a Government Department now and as such the implications of the position as stated at 'XA' of the P.W.D. note are not quite clear. Thus it is not clear what is the arrangement regarding the position of the B.S.E. Class I and II officers who do not hold any lien under Government, i.e. whether they are entitled to revert to Government Departments or whether they have gone completely under the control of the Housing Board. P.W.D. may be requested to clarify the position. If they are entitled to revert to Government Departments P.W.D. may be requested to quote the orders under which that arrangement has been sanctioned.

U.O.R. to P.W.D. (with 2 files) dt. 9/5/50.

L.E. (I.D.).

630/36
36805

Submitted with reference to this Department U.O.R. dated the 22/4/50.

The proposal of maintaining a common list of all the temporary Ex. and Dy. Engrs. recruited through the B.P.S.C. only serving in the P.W.D. and other Departments, is still under consideration, vide G.L., Labour Department,

P.W.D. 451/58/49258/E, dated the 7/12/49, and copies of notes at pages 35/40 of file No. 451/58 put up below.
86371

Please see the L. and H.D. Office Note dt. the 28/5/50. There seems to be no need to wait for the issue of orders on the proposal refd. to in para 2 above, and the

suggestion -----

suggestion made in the concluding portion of this O.N. dt. the 21/4/50 may be pressed for acceptance. If they have already finished the necessary years service, they should be ~~xxxxx~~ required to pass the next examination.

Id/- 27/5

U.O.R. to the L. and H.D., dated the 31st May 1950, (with file No. 451/48/8637).

L. and H.D.

E.B.

The P.W.D. has suggested that it is not necessary to wait for the final orders of Government. regarding maintenance of common seniority list of selected Ex. Engrs. and Dy. Engrs. working in the Housing Organisation, P.W.D., etc. and that orders may be issued now, requiring the selected Ex. Engrs. and Dy. Engrs. to pass the Professional Examinations prescribed for Ex. and Dy. Engrs. The P.W.D. has already drawn up the seniority list of Dy. Engrs. ~~at~~ selected in 1947 and 1948. There seems ~~no~~ no objection to accepting the P.W.D.'s proposal. The P.W.D. has however suggested that the Ex. Engrs. and Dy. Engrs. who have, finished the necessary years service, may appear for the next examination. The P.W.D. should classify whether service should be counted from the date of selection of the Ex. Engrs. and Dy. Engrs. who were holding the same or similar posts prior to selection or from the date of joining service that Deptt. may also be requested to inform this Department U.O. as to when the next examinations are to be held. If they are too ~~xxxxx~~ *soon* the officers may be allowed to appear for

the ---

the examinations that will be held thereafter, to enable them to prepare for the examinations.

Id/- 21/6/50.

I think it will necessary to show this papers to P. and S.D. also U.O.R. (vide that Department note on page 5).

U.O.R. to the P.W.D. dated the 22/6/ 50.

E.B. (ID).

630/36/50320

P.W.D.

Submitted with reference to U.O.R. dated the 31/5/50 and notes underlying it.

2. The L. and H.D. agrees to the proposal in the concluding portion of the U.O.R. dated the 22/4/50. That Department wants to know whether the Ex.Engrs. and Dy . Engrs. under Housing Commissioner have to pass the professional Examination within two years from the date of the ir selection or from the date of joining the service.

3. In accordance with rule I of the professional Examination Rules in G.R.No.630/36, dated the 9/10/42, the Asstt. Engrs. and Dy.Engrs. should pass the Examination within two years from the ^{date} from which their service as Asstt.Engrs. and Dy. Engrs., as the case may be, commences. It may be stated that the service of the Asstt. Engrs. and Dy.Engrs. is counted from the date on which they actually join the service as Asstt. Engrs. or Dy. Engrs. as the case may be, and not from the date of their selection.

4. The Professional Examination is usually held in the last week of june in every year. As the period for this year is over, these Ex.Engrs. and Dy.Engrs., recruited by this Department and allotted to the various Departments. and Organisations including the Housing Organisation (now Housing ---

~~Housing Board)~~ who have already finished the necessary years. service, may be ~~allowed~~ allowed to pass the next examination to be held in June 1951.

5. The papers may be referred U.O. to the L. and H.D. through the P. and S.D.

Id/-
30/6/50.

I do not think that the statement as at 'A' above would be ~~correct~~ correct. If some of the Dy. Engr. and Ex. Engr. under the Labour and Housing Department have failed to pass the examination in time. They only will have to be considered for giving ^{an} reexamination.

Id/- 30/6/50.

U.O.R. to the P. and S.D.
Labour and Housing Deptt. (~~with~~ in success.)

dt. the 3/7/50 .

P. and S.D.

Please see ^{the} P. and S.D. note dated the 8/5/50. P.W.D. has not clarified the points raised therein in order to ~~not~~ avoid further delay in ^{defining} the question of issue. P. and S.D. may agree to the P. and S.D. proposal subject to ~~the~~ ^{assumption} the Dy. Engineers and Ex. Engineers to ^{who} hold not ⁱⁿ ~~under~~ ^{ask} and who having ~~thus~~ ^{been} ~~noted~~ ^{selected} by the P.S.D. are allotted to the Housing Department ^{all} ~~are~~ ^{are} ~~certified~~ ^{entitled} to reverts to Government service.

U.O.R. to P. and H.D. dated ^{6/7/50.} the 7/7/50.

L. and H.D.
E. Br.

The proposals made in the P.W.D. note dated the 30/6/50, may be agreed to. The remarks of the D.S., P.W.D.

dt. ---

dated the 30/6/50 are not understood, as the tempy. selected Dy. and Ex. Engrs. under this Deptt. have not appeared for the Professional Examinations.

While issuing orders the P.W.D. may pl. furnish copies of up to date orders reg. Professional Exams. to the offices concerned ^{1/5} S.R.D. (Innstedt RO(^{ccw/en} ~~xxxxxx~~), and Secy. B. Housing Board.

Id/- 12/7/50.

Id/- 18/7

U.O.R. to P.W.D. dated the 18/7/50.

E.B. (I).

30/36/57951.

P.W.D.

Submitted with reference to the office note dated the 30/6/50, and the Dy. Secy's note following it. The presumption made in the P. and S.D. office note dated the 5/7/50 is correct. It is not necessary to show the papers again to that Department.

2. The question under consideration is reg. passing the Prof'l. Examn. by the tempy. Ex. and Dy. Engrs. who are allotted to the Housing Board. The Housing Commissioner in his letter No. 124/H/2749. dated the 23/3/50, presumed that the tempy. Ex. Engrs. and the Dy. Engrs. allotted to the Housing Board have to appear for the Prof'l. Examn. only in the general Engrg. subjects mentioned in Rule 9(a) of the Rules for the examination in question. It is held that the temporary Ex. Engrs. and Dy. Engrs. in question have to pass in all subjects prescribed for the Prof'l. Examn. of Ex. Engrs. and Dy. Engrs. in accordance with the orders issued in the G.Rs. No. 630/36, dated the 9/10/43, and No. 9437/36, dated the 12/4/49, and the 25/10/49, as amended from time to time vide office note dated the 21/4/50. The L. and H.D. and the P. and S.D. have ---

have agreed with this view. As regards the concluding portion of the L. and H.Ds. office note dated the 21/6/50, it may be stated that according to the orders issued in clause (i) of G.R. No. 9437/36, dated the 25/10/49, the officers who were appointed before the 12/4/49 were to pass the Prof'l. Examn. within three years from the date of their apptt. and those who are appointed after that date are to pass the examinationx within two years, from the date of their appointment. It is not, therefore, clear why the Ex. Engrs. and the Dy. Engrs. under the Housing Board could not pass the Prof'l. examn. within the prescribed time. As suggested by the D.S. in his note dated the 30/1/50, the officers who have not appeared for the examination or who have failed to pass the examinationx will have to be granted an extension of time for passing the examination. It does not, however, seem necessary to give ~~an~~ general extension to all such officers but the Housing Commissionerx may ~~be~~ requested to refer. such cases to Government for orders, which will be considered on their merits. The draft put up for appvl. may issue.

No. 630/36/E(I).

P.W. Deptt.
B.C. (Bombay No. 1),
3rd Aug. 1950.

To

The Housing Commr., Bombay.

Subject:- Professional Examination of Ex., Asstt. and
Dy. Engrs.

.....

Sir,

Reference your letter No. 124/B/2749, dated the

23/3/50.

2. I am directed to inform you that your presumption

What ---

that your presumption that the temporary Ex. Engrs. and the Dy. Engrs. who are directly recruited and allotted to the Housing Board, Bombay, have to appear for the Professional Examination only in the general Engrg. subjects mentioned in Rule 8 (a) of the Rules reg. the Prof. Examinations of the Asstt. Engrs. in the B.S.E. Class. I, and Dy. Engr. in the B.S.E., Class II, as laid down in G.R., P.W.D. No. 630/36, dated the 9/10/42, is not ~~exactly~~ correct. They are ~~a~~ required to pass the Prof. Examination in all the subjects prescribed for the Examination. The cases of the officers (Ex. Engrs. and Dy. Engrs.), who have not appeared for the Prof. Examination or who have failed to pass the Examination within the prescribed time as laid down in clause (1) of G.R., P.W. Department No. 9837/36, dated the 25/10/49, and who desire for an extension of time for passing the Prof. Examination, may please be referred to Government for orders.

D.A.-Nil.

Yours faithfully,

Dy. Secy. to the Govt. of Bombay,
P. W. Deptt.
